Argument on the motion heard from Gabriel Grasso and Carlo D'Angelo. Argument heard from the AUSA Frank Coan regarding why the government has changed it's position on detention.

Court recessed for parties to look at the 3142 and 3143 statutes.

The government's suggestion was to allow the parties to research and brief the issue by October 27th. The Court granted the request. The Court wanted the parties to address their analysis on the flight risk.
